

## DISCLAIMER

**Last updated:** 01.01.2026

This Disclaimer governs the use of the website(s), digital platforms, reports, certificates, and all published materials (collectively, the “**Materials**”) provided by **OZ Maritime** (“**OZ Maritime**”, “**we**”, “**us**”, or “**our**”).

By accessing or using our Materials, you acknowledge and agree to the terms set out below.

### 1. General Information

All information contained in the Materials is provided for **general informational purposes only**. While OZ Maritime strives to ensure that all content is accurate, current, and compliant with applicable maritime standards, **no representation or warranty**—express or implied—is made regarding the completeness, accuracy, reliability, or suitability of the information for any specific purpose.

### 2. No Professional or Statutory Advice

The Materials do **not** constitute legal, technical, engineering, or statutory advice. Decisions relating to vessel operation, safety compliance, maintenance, certification, or commercial use remain the sole responsibility of the vessel owner, operator, manager, or Master.

Certificates, reports, and findings issued by OZ Maritime are valid **only within the scope of the applicable Class Society, Flag State authorization, manufacturer approval, and contractual agreement** under which the service was performed.

### 3. Regulatory & Compliance Limitation

Maritime regulations, Class requirements, Flag State circulars, and international conventions (including IMO and SOLAS instruments) are subject to change.

OZ Maritime does **not** guarantee that the Materials reflect the most recent regulatory amendments at all times. Users are responsible for verifying applicable requirements with the relevant authorities, Class Societies, or Flag Administrations.

#### 4. Limitation of Liability

To the maximum extent permitted by applicable law:

- OZ Maritime shall **not be liable** for any direct, indirect, incidental, consequential, or economic loss arising from the use of, or reliance upon, the Materials.
- This includes, without limitation, loss of hire, loss of profit, detention, delay, operational interruption, or third-party claims.
- Liability for services rendered is strictly limited to the terms defined in the applicable service agreement, work order, or general terms and conditions.

#### 5. Third-Party Content & Links

The Materials may contain references, links, or content originating from third parties (including manufacturers, Class Societies, or regulatory bodies).

OZ Maritime assumes **no responsibility** for the accuracy, availability, or content of external websites or third-party documentation and does not endorse any such content unless explicitly stated.

#### 6. Technical & Operational Risk

Marine operations involve inherent risks.

OZ Maritime cannot guarantee uninterrupted operation, absolute safety, or failure-free performance of serviced equipment, particularly where factors beyond our control exist, including but not limited to:

- Improper use or maintenance by third parties
- Unauthorized modifications
- Environmental conditions
- Operational misuse or non-compliance

#### 7. Intellectual Property

All Materials, including text, logos, technical documents, images, reports, and digital systems, are the intellectual property of OZ Maritime unless otherwise stated.

Unauthorized reproduction, distribution, or use is strictly prohibited.

#### 8. Governing Law

Unless otherwise agreed in writing, this Disclaimer shall be governed by and construed in accordance with **applicable international maritime commercial principles**, without prejudice to mandatory local laws where services are rendered.

#### 9. Amendments

OZ Maritime reserves the right to modify this Disclaimer at any time. Updated versions will be effective upon publication.
